

## James Koepke, CPA

### Professional Experience

Jim Koepke is a Shareholder at Doeren Mayhew and Practice Leader of the firm's Accounting, Audit and Assurance Group. He specializes in providing financial reporting guidance to a wide variety of industry sectors, including general and specialty contractors, manufacturers, architectural firms, marketing companies, non-profits and government entities.

In addition, Jim heads up the firm's quality control process to ensure our clients receive sound accounting advice and high-quality risk assurance services. His responsibilities include developing the firm's accounting and auditing policies, ensuring staff receive proper continuing education and monitoring the firm's compliance with professional standards.
