

## Jeffrey McCann, CPA

### Professional Experience

Jeff McCann is a Director/Shareholder at Moore Stephens Doeren Mayhew. For more than 20 years, Jeff has focused his time in public accounting, including Big 4 firm experience, on cross-border taxation of individuals.

Jeff oversees the delivery of a full suite of tax and consulting services accommodating the annual expatriate life cycle for businesses with globally mobile employees. He is particularly focused on the implementation of centralized service delivery models for decentralized and entrepreneurial clients.

In addition, he provides tax and planning services for executives and high net-worth individuals, with or without cross-border reporting issues or other foreign disclosure requirements. Jeff also advises these individuals regarding U.S. expatriation planning and compliance issues. He has extensive experience working with the IRS voluntary disclosure program and streamlined filing procedures.
