

Erin DeJong, CPA

Professional Experience

Erin DeJong is a Senior Associate within Doeren Mayhew's Dental Division.

Leveraging more than 10 years' of accounting and audit experience, she assists clients in all facets of accounting ranging from account reconciliation to financial statement and tax return preparation. Erin works closely with dentists to help them understand their practices' financial health through creating reliable monthly, quarterly and annual financial information.

Erin's diverse background, including her time as a Senior Internal Auditor, allows her to help dental practices work towards improving efficiencies and maximize their bottom line.
