

## Jack Kenney, CPA

### Professional Experience

Jack Kenney is a Shareholder in Doeren Mayhew's Financial Institutions Group.

Nearly 20 years of experience in auditing credit unions drives his ability to assist clients with their risk-based assurance needs. Throughout his career, Jack has gained extensive knowledge by completing hundreds of opinion audits for credit unions across the nation. Guiding and mentoring audit staff, he ensures unparalleled assurance services are delivered to clients.

Jack serves as a leader in the group's internal educational programs, as well as assisting clients with training of personnel and committee members on numerous topics.
