

Stephen Skok, CPA, MST

Professional Experience

Stephen Skok is a Shareholder at Doeren Mayhew with 10 years of experience.

A leader in the firm's Health Care Group and its Dental Division, Stephen works alongside general practitioners and dentists to provide strategic and operational advice for their practices. In addition, he has helped many doctors start their own practice, develop business plans, and strategically purchase, sell or consolidate practices.

Leveraging many years worked in the firm's Tax Group, Stephen also focuses on proactively evaluating clients' current tax situations to minimize liabilities, and discovering incentives for clients' corporate, partnership, individual, property, and state and local tax reporting. Clients rely on him to develop effective tax planning and preparation strategies while ensuring compliance with all state and federal tax regulations.
