

John Murnane, CPA

Professional Experience

John Murnane is a Shareholder in Doeren Mayhew's Financial Institutions Group, specializing in meeting the audit and advisory needs of credit unions ranging in asset sizes from \$10 million to \$5 billion.

With more than 30 years' experience in the industry, John has supervised more than 1,000 certified audits for federally and state chartered credit unions, as well as corporate credit unions. A highly technical professional, he ensures clients understand and properly implement new auditing and accounting standards impacting the industry. John is also often called on by clients to assist in their merger and collaboration efforts, and asset and liability management programs.

Due to his extensive industry knowledge, John is a nationally recognized speaker and author on a wide range of credit union topics.
