

Lori Carmichael, CPA

Professional Experience

Lori Carmichael is a Shareholder in the Financial Institutions Group at Doeren Mayhew, where she manages the firm's North Carolina office.

Bringing more than 27 years of experience, Lori is relied on by both simple and complex credit unions across the nation for a variety of risk-based assurance and advisory services. In addition to auditing credit union financial statements, she is also responsible for conducting and overseeing many annual pension plan audits.

Lori is a nationally recognized speaker and author on a variety of financial institution related issues. Often calling on her expertise are national, regional and local technical and industry related associations. Lori also uses her diverse knowledge to develop an engaging curriculum as the committee chair of the firm's Annual Supervisory Committee and Board of Directors Conference.
