

Mark Kruczek, CPA, MST

Professional Experience

Mark Kruczek is a Tax Shareholder at Doeren Mayhew with nearly 15 years of experience. Since joining the firm, clients in the multifamily/affordable housing, construction, manufacturing, service, retail and franchising industries have relied on him to provide effective strategies for international and domestic tax savings.

Drawing on his experience and knowledge, he acts as a true advisor to clients offering ongoing insight into the changes impacting their financial revenue and personal wealth. Versatile and experienced, Mark is able to offer a wide range of corporate, partnership, personal, employee benefit plan, and merger and acquisition tax advisory services to suit the needs of clients.

Engaged in the entire tax process for each client, Mark can easily detect tax-saving opportunities and minimize related liabilities.
