

## Jeanine M. LaBarbera, CPA

### Professional Experience

Jeanine LaBarbera is a Shareholder in Doeren Mayhew's Financial Institutions Group focused on serving credit unions and credit union service organizations. Drawing on more than 13 years of experience, she oversees and executes a variety of simple to complex audit engagements for the firm's more than 350 financial institution clients nationwide. Honing in on her extensive knowledge of credit union operations and ability to detect potential risk, Jeanine is a valued asset to client engagements.

With a deep understanding of employee benefit plans, Jeanine is relied on to conduct and lead many annual pension plan audits as a member of the firm's Employee Benefits Plan Group.

Leveraging her knowledge and experience, she is often called upon to speak on technical audit and accounting topics at national, regional and local industry events.
