

Michael Tomes, CPA

Professional Experience

Michael Tomes is Shareholder in the Business Advisory Group at Doeren Mayhew.

Michael began his career with the firm's audit department in 2011, having been entrusted by some of the firm's largest clients to perform efficient and effective audit, review and compilation engagements.

Seeking to provide the same level of service to the small and mid-sized business market, he transferred to the Business Advisory Group where he focuses on financial statement preparation, employee benefit plan audits, tax planning and consulting. Leading small to large engagement teams, Michael works with health care businesses, low-income housing and rental real estate entities, contractors, manufacturers, distributors and service providers.

Leveraging his experience and knowledge, Michael plays an active role in providing educational training to the firm's professionals and clients on a wide range of accounting best practice topics.
