

Doug Martin, CPA

Professional Experience

Doug Martin is a Shareholder with Moore Doeren Mayhew, the international practice of Doeren Mayhew.

Garnering more than 14 years of tax experience, Doug is an international tax advisor guiding the firm's multinational clients through tax compliance and advisory services.

With a specialized focus on assisting expatriate and inpatriate individuals, he helps minimize global tax exposure as well as assists international businesses with foreign assignment planning services. In addition, Doug helps clients structure international business operations and assists with U.S. tax compliance required to report foreign operations.

Doug's areas of expertise include:

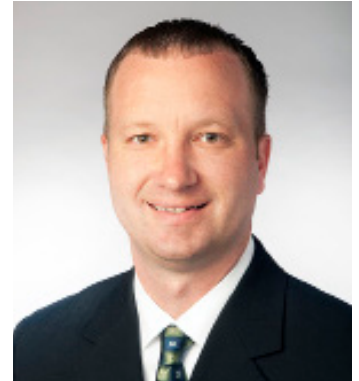

- Tax consulting and compliance for U.S. citizens living or working outside the United States and non-U.S. citizens residing within the United States including high-net-worth and globally mobile executives
- International assignment management and expatriate/alien taxation
- Expatriate payroll compliance and consulting
- International and domestic tax compliance for corporate/flow-thru entities, including foreign subsidiaries and partnerships
- Tax planning for structuring of international business operations
- Compliance and reporting of disclosures required for payments made by U.S. entities to non-U.S. entities/individuals
- Tax controversy related to foreign disclosure requirements for both corporate and flow-thru entities
