

John Burns, CPA, MSA, MST

Professional Experience

John Burns is a Shareholder at Doeren Mayhew. Since joining the firm in 2010, contractors, distributors, manufacturers, health care providers and service providers have relied on him for accurate compliance, and innovative tax-saving strategies in the multinational and multistate sectors.

Fully engaged in the entire tax return process, John is able to provide oversight to the preparation, review and planning of clients' tax engagements. Whether he is preparing individual, corporate or partnership taxes, John is consistently going above and beyond to ensure clients meet their financial goals and objectives, while taking advantage of tax incentives along the way.
