

Josh Garvey, MBA

Professional Experience

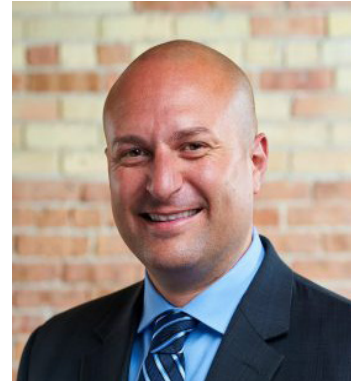

Josh Garvey is a Shareholder at Doeren Mayhew with more than 18 years of experience in software and outsourcing services. His expertise includes human capital management software, accounting and ERP systems, software integrations, and 401(k) administration services. He has specific knowledge and training in Sage Intacct, the leading accounting software, and Asure Software, a platform with a suite of payroll and human capital tools.

Josh provides software demonstrations, integration consulting and helps clients research software options so they're equipped with the best solutions for their organizations. He works with businesses in a variety of industries, including health care, nonprofit, manufacturing, construction, professional services and small business. He aims to help clients grow their businesses, gain financial and operational insights, and improve efficiency with the top technology solutions.

Josh recently joined Doeren Mayhew as part of a merger announced in January 2022.
